

Bring & Buy

For Disabled Children

Clear The Clutter today with our 6 easy steps for 21st century recycling

A tried and tested, easy-to-do but effective way to help us help disabled children - hold a 'Bring & Buy Sale' and recycle!

- ★ Set a date for the big event and promote it
- ★ Invite people to bring along their unwanted goods
- ★ Lay out your tables and price up your items - you could even separate each table by price
- ★ Consider providing refreshments
- ★ Have a good time and take some photos!
- ★ Send us the funds you've raised and help Disabled and Terminally ill children in your county, region or throughout the UK

You can download a poster to publicise your event with your friends, and a paying in form, to make it easy for us to thank you. You can also use the paying in form to tell us how you would like us to spend your donation in your county or nationally. Call or email us for advise or to tell us about your event.

Have a Seasonal Event

January - 'Post Christmas purge'
 March - 'Spring Clean'
 May - 'Bank Holiday clear out'
 July - 'Summer Sorting'
 September - 'Clear the Clutter'
 November - 'Nice and Tidy'

DON'T FORGET!
Safety First...

Check out our legal and safety guidelines to make sure your event is safe and sound and that everybody has as much fun possible
